

AGREEMENT
Between
SHELBY COUNTY GOVERNMENT
And
SPRING CREEK, LLC

THIS AGREEMENT entered into this _____ day of _____, 2007 by and between the Shelby County Government (hereinafter referred to as "County") and Spring Creek, LLC (hereinafter referred to as "Spring Creek").

WHEREAS, the County has received reports from residents that septic systems are failing in the Cotton Creek area of southeast Shelby County located in the Town of Collierville Annexation Reserve; and

WHEREAS, the County has performed an engineering study that confirms the existence of septic system failures; and

WHEREAS, the County has determined that a low pressure sewer system (LPSS) which collects solid material in individual septic tanks and conveying the liquid waste to the Town of Collierville Publicly Owned Treatment Works at Shelton Road by connection to the sewer lift station operated by the Town of Collierville on behalf of Spring Creek is the most efficient and cost effective system to alleviate the environmental problems associated with these failing septic tanks; and

WHEREAS, the sewer lift station was constructed by forces under contract with Spring Creek which holds remaining capacity rights in agreement with the Town of Collierville (hereinafter referred to as "Town"); and

WHEREAS, Spring Creek has agreed to the conditional use of the excess capacity of the lift station and force main by County for Cotton Creek residents only.

NOW, THEREFORE, in consideration of these premises the parties agree as follows:

1. The County will undertake engineering design and construction of the LPSS for the Cotton Creek area (the "Project"). The Project will consist of construction of low pressure sewer pipes, pumps, and replacement septic tanks, as necessary.
2. The LPSS will transport the liquid waste to the Spring Creek collection system. From this point, it will be carried by the existing Collierville-Arlington Road force main line to the Town of Collierville Publicly Owned Treatment Works on Shelton Road. The Town has agreed to process all liquid waste from the LPSS that is transported to the connection of the LPSS to the Collierville-Arlington Road force main line. The Town has consented to the LPSS being connected to the Collierville-Arlington Road force main line, subject to the County obtaining the approval of Spring Creek and its developer Boyle North Company, L.L.C.
3. A revolving maximum of One Hundred and two (102) residential lots will be eligible for connection to the system ("System Users") during the term of this Agreement. A list of the

initial addresses and initial System Users is attached hereto as Exhibit "A" and incorporated fully herein by reference. Additional connections in excess of the revolving maximum of 102 residential lots are not permitted.

4. The County will provide engineering plans to Spring Creek for review and approval by Spring Creek prior to approval by the County Engineer. During construction, Spring Creek personnel will be authorized to access the construction site of the Project to perform quality assurance inspections of the Project.
5. The County will assure that construction is performed in such a manner that service to residences in Spring Creek Ranch planned development is not interrupted.
6. The County will return all areas disturbed to their pre-construction conditions. This will include but not be limited to all landscaping, irrigation, signage, lighting, fencing, pavement, etc. at no expense to Spring Creek.
7. The County shall pay to Spring Creek \$98,400.00 for capital costs incurred by Spring Creek within ten (10) days of the date upon which the County awards the construction contract for completion of the Project to a general contractor.
8. The County also agrees to a pro-rata share of the up to Forty thousand dollar (\$40,000.00) liability assigned to Spring Creek in agreement with the Town of Collierville, a copy of which contract is attached hereto as Exhibit A. The County accepts no other liability or obligations set forth in the attached contract.
9. Term. The term of this Agreement (the "Term") will commence upon the execution of this Agreement and continue through annexation by the Town of Collierville of the Cotton Creek area.
10. Notices. Any notices required or permitted to be given under the provisions of this Agreement shall be effective only if in writing and delivered either in person to the County's authorized agent or by First Class or U.S. Mail to the addresses set forth below, or to such other person or address as either party may designate in writing and deliver as herein provided:
